

APPLIED ERGONOMICS CONFERENCE

March 16 - 19, 2015

Nashville, Tennessee, USA

www.appliedergoconference.org

APPLIED ERGONOMICS CONFERENCE 2015

The AEC 2015, presented by GOErgo is one of the largest and most impressive ergonomics conferences in North America.

Presenters are practitioners sharing real-world experiences and practical solutions to common problems in industry.

APPLIED ERGONOMICS CONFERENCE 2015

APPLIED ERGONOMICS CONFERENCE 2015

- GOErgo supports the Annual Applied Ergonomics Conference and Expo, a conference where attendees gather from around the world to share best practices with other professionals in ergonomics, healthcare, safety, human resources and risk management.
- GOErgo is a community within IIE, an international, nonprofit association that provides leadership for the application, education, training, research, and development of industrial engineers, human factors/ergonomics professionals, healthcare providers and related professions.

APPLIED ERGONOMICS CONFERENCE 2015

APPLIED ERGONOMICS CONFERENCE 2015

- Attend a keynote presentation, where renowned experts set the tone for the various sections of the conference.
- Attend multidisciplinary educational sessions for all experience levels.
- Attend a poster session, where presenters from around the world highlight their programs and share their successful ideas.

APPLIED ERGONOMICS CONFERENCE 2015

- Expand your knowledge of crucial topics affecting the ergonomics community.
- Join in on the roundtable discussions and share opinions, strategies, new initiatives and brainstorm on various topics.
- Come early and attend one or two of the interactive pre-conference workshops.

APPLIED ERGONOMICS CONFERENCE 2015

- The internationally recognized Ergo Cup® competition provides an exciting opportunity for companies to highlight their successful ergonomic solutions.
- The Exhibit Hall offers you the opportunity to explore and discuss with expert vendors the breadth and depth of new and favorite ergonomic products, services, books, online services, tools, and technologies.

APPLIED ERGONOMICS CONFERENCE 2015

- Enjoy networking events and activities that provide opportunities for attendees to have some fun, catch up with fellow attendees, and meet new contacts in the industry.
- Facility tours offer an in-depth, behind-the-scenes look at ergonomics in action at various facilities in a variety of industries.

ORAL PRESENTATIONS

POSTER PRESENTATIONS

ERGO CUP® COMPETITION

The goal of this competition is to recognize and encourage the development of innovative ergonomics solutions and education in the workplace.

Any organization that can demonstrate an effective ergonomics solution or education initiative within the last 24 months (November 2012- 2014) is eligible to compete.

The ergonomic solution preferably should have been implemented at least 1 (one) full year and actual productivity, safety ROI results should be presented.

ERGO CUP® COMPETITION

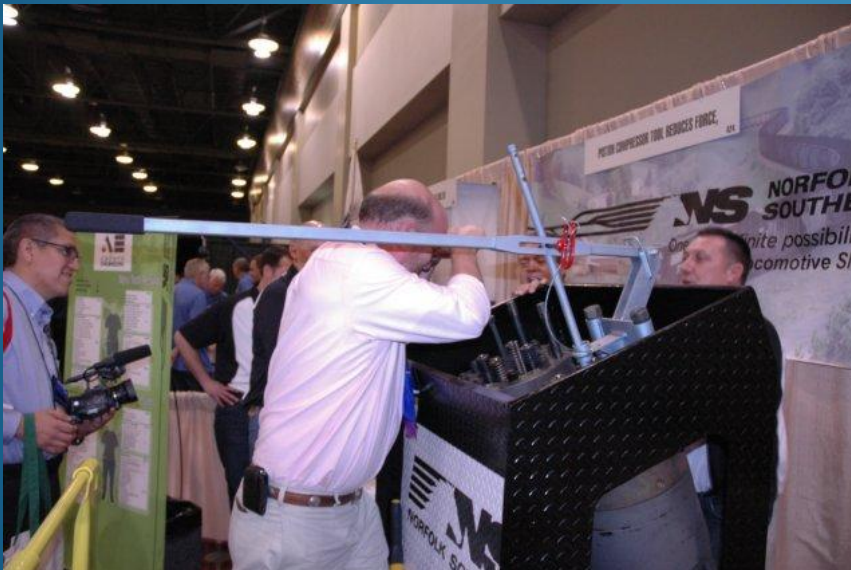

There are five Ergo Cup Categories:

- Team-driven workplace solutions
- Team-driven workplace solutions – Ergo Cup internal competition
- Engineering/ergonomist-driven workplace solutions
- Engineering/ergonomist-driven workplace solutions - Ergo Cup internal competition
- Ergonomics Program Improvement Initiatives

NETWORKING OPPORTUNITIES

There are three main activities:

- **The First Timer's Orientation:** it assists conference attendees in navigating the conference program and activities.
- **Ergo Quiz Bowl:** teams compete in their knowledge of ergonomic facts, fiction and folklore in this fast-paced quiz game.
- **Networking Event:** each year, we seek out a local venue and create an opportunity for attendees to gather in a relaxed atmosphere of sharing and networking.

NETWORKING OPPORTUNITIES

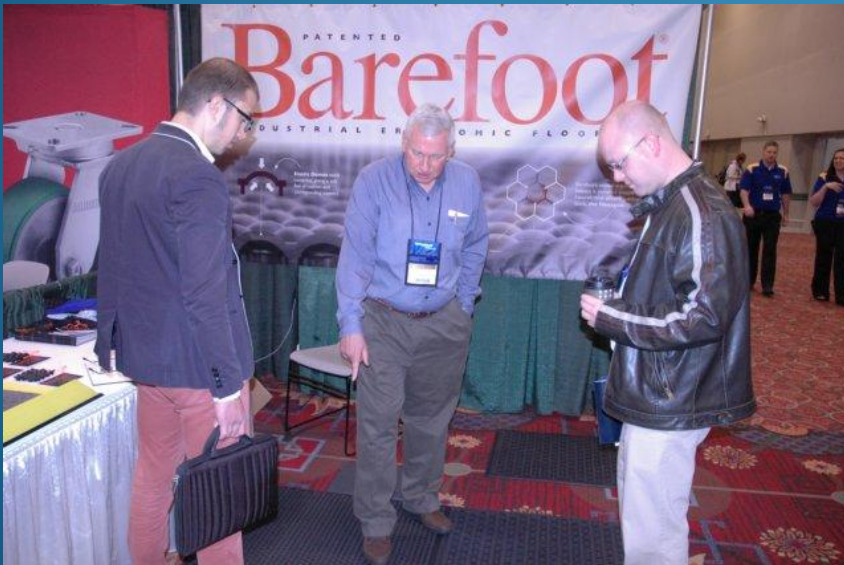

EXHIBIT HALL

Visit the exhibit hall and take advantage of this unique collection of new products, solutions and ideas focused on ergonomics.

EXHIBIT HALL
